Additional Information: If needed, please include any other information you feel is relevant to your request. (There is no character limit on this field).

Full answer for question 8: There is a lot of Islamophobia towards Muslims in the current political and general climate. This event is not only to break down the barriers people have with the religion and the followers of the religion but also to break stereotypes amongst the Muslim community to create a unified community and ummah. This can be done by creating a community that will stand for and with one another regardless of their other identities. The need for this is for non-muslims to gain awareness of the institutional oppressive systems on Muslims as well as awareness and breaking of barriers of Muslims within their own respective communities.

Full answer for question 9: 200 students will benefit from each part of the series through engaging with each other, artists and performers, and the content itself. Some of the things they will gain from this include but are not limited to gaining awareness of stereotypes on Muslims and within Muslim communities themselves, students will also break barriers within themselves and the conceived notions that they have about Islam, and students will learn about Islam's truth and what it really stands for.

<https://www.uwb.edu/finance/food-approvals>. Understand that food for normal meetings is not allowed. Describe below the reason you are requesting food and how it meets the food policy. Please put total dollar amount of food/refreshments in the bottom of this box.

In order to host and entertain students in four different events we need food and nonalcoholic beverages. The food chosen in each event will reflect a certain culture and enable students to engage with their colleagues and be introduced to the diets of other diverse members in the UWB community. The food is also integral to the event to educate both muslims and nonmuslims on the types of diets that muslims observe when they are eating in their everyday lives. Thus, it meets the food policy in that the events will bring diverse students together in an official event taking place in a booked recreational room in the UWB campus. In addition, the events will exceed 3.5 hours in length. The total dollar amount of food/refreshments we are requesting is \$4000.
