

2009-2010 Services and Activities Fee Committee

Open Forum and Appeals

Friday, April 9 UW1-103

9 am – 12 pm

Meeting Priorities:

- 1). Open forum and appeals from UWB community
- 2). SAF convenes to adopt final 2010-2011 budget

Friday's meeting provides the campus community an opportunity to directly participate in SAF's final budget adoption by voicing their budgetary priorities and concerns. **In order to ensure ample time for the UWB community to share their budget priorities with SAF**, sign in sheets will be available for students, staff, faculty and organizations. Each person not affiliated with an organization on campus and each organization will have five minutes to voice their concerns. If time allows, SAF may grant more time.

If you are unable to attend the hearing, or believe you will not have enough time to voice your concerns, please email the SAF Chair (Lauren Burnes) at llb8@u.washington.edu no later than Thursday at 5:30 pm with your written testimony.
