Meeting began at 9:00 a.m.

1. The Committee met to review proposals for 2010-11. Based on this review, the committee set the following hearing schedule:

Friday, February 12:

9:15 a.m.	Recreation and Wellness
9:40 a.m.	Student Life
10:00 a.m.	ASUWB
10:20 a.m.	Campus Events Board

Friday, February 26:

9:15 a.m.	Career Center
9:35 a.m.	Child Care
10:00 a.m.	Disability and Veterans Programs
10:20 a.m.	Husky Herald
10:50 a.m.	Entrepreneurial Student Association

2. The Committee also discussed usage policies for the fitness center. The Office of Student Life had received a number of requests from faculty and staff interested in using the fitness center in a limited capacity (i.e. restricted hours) for a quarterly fee. Since the center continues to be funded through student fees, the requests were forwarded to SAF for their consideration.

The Committee recommends that the fitness center continue to be limited to students only for the following reasons:

- The fitness center is currently not monitored by staff, and there is no way to restrict key card access for specific hours. There would be no way to ensure that the restricted hours be enforced.
- More importantly, as the student population continues to grow, and the fitness center does not, there is not sufficient space to accommodate faculty and staff participation, even at limited hours.

Lauren will send a formal recommendation to Hung and Lane.

Meeting was adjourned at 12:06pm
