Meeting began at 9:00 a.m.

1. The Committee met to conduct hearings regarding proposals for 2010-11.

9:15 a.m. Career Center

The Career Center's budget has been reduced by \$25,000, that amount was shifted into UWB's general operating budget, with this change to their previous request, the Career Center explained how the new budget looks after the 25K reduction.

9:35 a.m. Child Care

Child Care explained the overall program and application process, as well as how many students are served and how subsidization decisions are made. They explained that due to lack of space and costs, the feasibility of funding and maintaining an on-campus daycare center is not possible.

10:00 a.m. Disability and Veterans Programs

\$7,000 was requested to hold at least two events on campus geared towards promoting awareness of veterans and disabled campus members. Some events ideas would include bringing in a professional performance troop to campus and to perform a play about the aforementioned.

10:20 a.m. Recreation and Wellness

Recreation and Wellness came in to explain their annual budget and plans for growth next year. R&W finds that most wellness classes are well attended and the Mariners and Sounders ticket subsidizations are successful.

10:50 a.m. Entrepreneurial Student Association

The ESA presented their annual budget and plans for growth next year.

2. No further actions were taken by the Committee.
