

SAF Annual Proposal Form for the 2013-2014 Academic Year

The SAF Committee will be accepting applications for the annual budgeting cycle from November 30, 2012 until 5:00pm on January 16th, 2013. The intent of the annual operating budget is to support on-going student activities, services, and programs. Services and Activities Fees are defined in RCW 28B.15.041 to mean "fees, other than tuition fees, charged to all students registering at the . . . state universities . . . The legislature also recognizes that Services and Activities Fees are paid by students for the express purpose of funding student activities and programs" of their particular institution. These funds will be available for the 2013 to 2014 academic year.

A member of your group must be available to attend a hearing with the SAF Committee tentatively scheduled for Friday, February 8, 2013 and Friday, February 15, 2013. Please include a regularly checked email in the application, as that will be the main form of communication between SAF and the requesting group. The SAF Liaison will contact the requesting group to notify them of a hearing time.

Please ensure that your request is in accordance with SAF Bylaws, which are available at the following website:
<http://www.uwb.edu/studentlife/safc/safbylaws>

The Committee will hold an open forum and appeals, tentatively scheduled for on Friday, March 29, 2013. Requesting groups will be notified of a preliminary budget before the open forum and appeals date.

Late applications will not be accepted, except at the discretion of the Committee. Adjustments to the final total requested by any club, group, organization, or department will not be accepted. After a request has been submitted, it may not be reopened for alterations or changes.

These opportunities support the University of Washington Bothell's 21st Century Initiatives with particular emphasis on four core aspects: Diversity; Community; Innovation; and Student-Centered.

This service provides students with unique learning experiences: to grow as citizens of the community, state, nation, and world; 2) to expand their personal and interpersonal awareness and appreciation of their leadership roles as representatives of the next generation; 3) to explore multiple businesses' and organizations' cultures, leadership styles, and business platforms, and to meet and network with 24+ executives and CEOs over the next Academic Year; and 4) to explore in real-time their own unique leadership styles, gifts, strengths and opportunities.

This service provides a unique combination which partners students with well-recognized leaders in a variety of industries, organizations, social services, and communities. In addition, it allows students to apply the learning in real-time situations.

We believe the experiences and insights gained from the four levels of leadership exploration will benefit students in their formation and development as leaders not only on the UWB campus and within the School of Business, but as future global citizens and partners in the success of our communities, our employers, our social services, and our world.

Approximately 60 students will benefit from the proposed services.
